*Kevin,*

*I have not seen this report appear and may need the tracking number unless you can check on it. I have asked our mail room and they are also checking to make sure it did not get sidetracked.*

*Thanks,*

Eric, Jennifer, and Rene –

The final YVD Residential Well Sampling Report is ready for transmission. However, the size of the complete report is 102 Mb (616 pages); our electronic mail systems will not transmit such a large attachment. ARCADIS will send the report on DVD-R via FedEx with the report hard copies (including the WQX files). The report will be sent to EPA on Monday, December 23, 2013. If you have any questions, please call me.

Thanks.
